SKILLS

`Creative` `Proactive` `Teamwork` `Public Speech`
`Feedback` `Autodidact`

PERSONAL PROJECTS

Music Album
- I composed, recorded and produced a an album with a band I had. I designed the artwork and handled all the production issues.

Interviews Podcast
- A podcast in which I interview young people who often don't have a voice. I chase interesting and personal stories and experiences.

Personal Screenplays
- I am a constant writer and therefore I am writing stories all the time. I mostly write movies or scenes.

Video Game Levels
- I design and create playable experiences using the Unreal Engine among other editors to improve my abilities.
